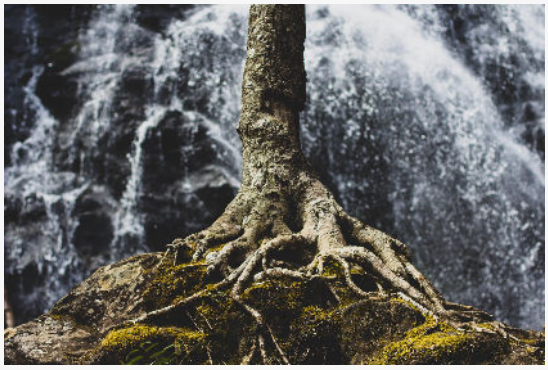
## Nourish Yourself with Sabbath and *Grow* into the Season of Creation!



Explore our resources to find books, readings, and videos regarding the significance of peace in your heart for the sake of the planet and your neighbors. Throughout the summer also think ahead to the Season of Creation and share the opportunities with your church community.

*Speaking of Sabbath...*
For the month of July and August I will be taking a Sabbatical thanks to the generous Lutheran Restoring Creation's Board of Directors' encouragement to follow our own advice. You will get to see more of this Board, as Sr. Jessica hosts the next two Connections Calls. Thanks for all you do and don't forget to treat *yourself* as part of God's Good Creation! ❤️
