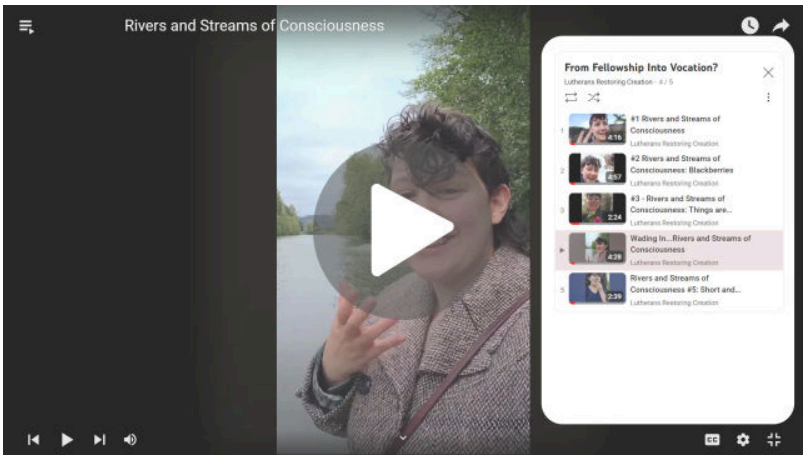
August Great Green News

We are preparing the way!

The wonderful LRC Board met this past weekend (pictured above) and we are *thrilled* to share that we will be welcoming Gabrielle to stay with us beyond their 9-month fellowship to finish out 2024 with us! Click below and explore the gorgeous habitat Gabrielle calls home and how their work has encouraged and inspired their faith-life.

Can you help us ensure that Gabrielle is part of our work in the long-term? https://bit.ly/AllHandsInMoment



We are also grateful to launch in to a Strategic Planning process as we consider what our unique role is in the ELCA and beyond in the climate-changed world in which we serve.

As you look ahead, please consider how our ministry can support your work in this upcoming Season of Creation and throughout the year.

Pr. Nick supports LRC with every step!

Our partners at Interfaith Power and Light our compiling a national database of faith communities with solar. We know that many Lutherans have solar for their congregations. If that's you, can you fill out or forward this form?
