Even when we want our money to do good, some banks use your money to fund fossil fuels and the destruction of our planet.

We are searching for faith leaders who are interested in leading their congregations through the process of divesting from fossil fuels. No experience in finance needed.

Reply "I'M IN!" to *this email* for more information.

Already divested? Let us know!

What better way to celebrate the summer solstice than to plan to use the sun's energy to heal Creation? Join Interfaith Power & Light's Solar Financing for Congregations webinar to learn how to finance solar at your congregation on June 13 at 12 pm Eastern!

If you aren't able to attend, you can still register, and we will send the recording out to everyone who registered.
