# November Good Green News

*It exists.*

## Tuesday - November 19th

*4pm AK/ 5pm PT/ 6pm MT/ 7pm CT/ 8pm ET*

In June 2024, the ELCA released "Our Kairos Moment: A Study Guide on Earth's Climate Crisis." Over the next four months, Lutherans Restoring Creation will facilitate a study group on this guide during our connections call time, each hour focusing on one part (of four) of the study guide. We hope that by going through the guide ourselves, that participants will gain familiarity and confidence with the study guide and will be able to implement it in their own congregations and communities.

During Part One, our theme is "Finding Our Place in Creation." We will focus on themes of interdependence and sufficiency and dive deeply into a theological understanding of stewardship vs. dominion.
