Our Kairos Moment

ACTIVE HOPE AND AGENTS OF CHANGE

Tuesday - February 18th

4pm AK/ 5pm PT/ 6pm MT/ 7pm CT/ 8pm ET

"Our Kairos Moment: A Study Guide on Earth's Climate Crisis."
During Part Four, our theme is "Active Hope and Agents of Change." This section focuses on a "just transition."

NEW: We will briefly skim the study guide for section four, asking participants to help us record the written portions so we have a permanent resource for use in congregations. We will then STOP recording and briefly reflect on the section. However, most of our time will be spent considering **all four parts.** (Do please still feel welcome, no matter which sessions you have or have not attended!) We will discuss **how to realistically implement this study guide** in your congregation/community. We welcome your thoughts, learning, best practices and wonderings on how to facilitate a creation care study guide.

It's time to start thinking about Earth Day!

This year LRC will offer a special sermon from Dr. Barbara Rossing that you can play for yourself or your congregation.

See our **other ideas for Earth Day** here, including a special offer from EarthDay.org to personally help set up a forum with elected officials.
